

The Oregon Camellia Society

Join our Membership

The **Oregon Camellia Society** is a social organization that promotes the propagation, growing, and appreciation of camellias. As a member you will have access to meetings, open gardens, field trips, and a newsletter as well as the camaraderie of members who have hundreds of years of collective experience in growing and showing camellias. Also included is membership in the Oregon State Federation of Garden Clubs, Pioneer District, which offers information about local garden club activities through its newsletters and two annual luncheons, provides scholarships, supports the Blue Star Marker program, and more.
